Congratulations to all gymnasts on a great performance. Parents will be able to find all the WG Invitational results on the Gold Coast Gymnastics Club website under Events/Results.

**COMPETITION SET UP, PACK AWAY, VOLUNTEERING AT THE INVITATIONAL:** A big thank you to all the parents who volunteered over the weekend at the Invitational. It was great to see so many parents helping with the competition set up on Saturday, volunteering on the BBQ, score entry, door entry, food donations and all the little jobs that come with competition. It was a big team effort, so thank you.

## Team competition season 2011:

As we approach our team events for 2011 I wish to remind parents of some general housekeeping.

- Support all gymnasts and teams – we are all a team at GCGC
- Be mindful not to comment on other peoples children
- Refrain from commenting on other clubs and their gymnasts
- Trust the judging at competition. Coaches will query scores if they feel it is necessary.
- Let the coaches do the coaching. Do not communicate with your daughter or coach while they are on the competition floor
- GCGC parents are apart of our club – represent us with pride while attending competitions

### TEAM CHALLENGE

All team events for 2011 start this weekend at MBC in Brisbane. Best of luck to our WG L3-7 teams who are competing. Teams will not be named until we arrive at the competition.

### STATE CLUBS / WET 'N' WILD

We are still waiting on State Clubs confirmation on competition times/days, so stay tuned.

At this point the **draft** has:

- Friday 16<sup>th</sup> : Border Challenge R1
- Saturday 17<sup>th</sup>: WG Level 3, 4, Border Challenge R2
- Sunday 18<sup>th</sup>: WG Level 5/6, Level 4 Sunshine team challenge
- Monday 19<sup>th</sup>: WG L7

Wet 'n' Wild competition final program is now on the Gold Coast Gymnastics Club website. All information on competition times will be coming out shortly.

PARENTS: Please ensure your daughter has full attendance as we lead into team competitions.

### WG Term 4, 2011 team changes:

**WG CT:** All team changes will be finalised shortly. We are not expecting to make too many changes this year. There may be some teams that may change days/times so please be aware that this could be your daughter's team.

### Term 3 holiday training:

All holiday training schedules will be going out this week.

There will be no scheduled holiday training in Week 2 of the school holidays for all WG CT teams (26/9/11-01/10/11 inclusive) – enjoy the break!

Term 4, 2011 commences back from Monday 3<sup>rd</sup> October 2011.
